##### Accounting Information

Use the applicable State Office organization codes according to 98-FI (Rev. 6), Exhibit 11, to create the accounting code for payments of charges. The sub-sub object code should be "4A".

**Example:** The organization code for the Missouri State Office is "02984" and the sub-sub object code is "4A". This creates the accounting code "384029844A0000".

The budget object class code is "2540" for all States.
